# Capital Receipts Programme
# Year 1 – 2015 to 2016 and Years 2 and 3 – 2017 to 2018
# As at September 2015

**Important Note: This list represents a "Forward Plan" for property and gives an indication only of what premises may be brought forward for disposal. Its purpose is to enable transparency in the disposal process. Inclusion of a property on this list does not guarantee that it will be declared surplus and offered for disposal (for sale or to let). Please do not assume, therefore, that all of these properties will be sold (or let).**

| Description | Reason for Sale | Current Position | Year |
