IRONMAN WALES Alternative Parking & Restrictions

Saturday 12th and Sunday 13th September 2015

Dear Sir\Madam

I am writing on behalf of Ironman Wales to inform you of alternative arrangements for parking using your Resident Permit Holder pass during the Ironman Wales event.

This is due to road closures being in place for periods of the race weekend so we are making alternative parking available on the top floor of the Multi-Storey Car Park on Park Road so that you can access your vehicle on foot if necessary. There is no need to pay as long as the Resident's Permit is on display.

For residents who can leave their car stationary for the whole weekend the North Beach car park can be used all weekend. The Multi-Storey Car Park is closed between 07:00 and 10:00 on Sunday 13th September but will be accessible at all other times during the event.
