PROJECT HISTORY:

An increase in vehicles during the summer months has been affecting wildlife, local communities, the landscape and tranquillity of this beautiful area. By providing this bus service we aim to reduce this impact, whilst helping everyone to access this magnificent peninsula.

ACCESSIBILITY:

We can accommodate 1 x wheelchair with a rear lift providing access onto the bus

HANES Y PROSIECT:

Mae rhagor o gerbydau yn ystod misoedd yr haf wedi bod yn effeithio ar fywyd gwylt, cymunedau lleol, tirwedd a heddwch yr ardal brydferth hon. Gyda'r gwasanaeth bus hwn rydym am geisio lleihau'r effaith yma, a helpu pawb i ddod i'r penrhyn godidog hwn.

HAWDD MYND ARNO:

Mae lle arno i 1 gadair olwyn ar y pryd, gyda lifft ar y cefn i'w codi ar y bus.
