Why not view
Pembrokeshire from the
water on Havenlink –
Pembrokeshire's water
transport service.

This pilot service provides the missing link between the beautiful Pembrokeshire Coast Path walks at Dale and Angle and connects the towns and villages along the Milford Haven Waterway.

Havenlink is also ideal for exploring the Pembrokeshire Coast Path trail.

Havenlink runs three days a week, Friday, Saturday, Sunday from 9th July to 12th September.

The service has been designed to sustainably complement the excellent Puffin Shuttle and Coastal Cruiser bus services which form part of the Coastal Bus network.
