## Application Form for the Family or Friend Library Service

This service is to assist individuals who can't visit a library themselves.

You can nominate a person to select materials on your behalf, from any Pembrokeshire Library. This could be a family member or a friend.

Once registered, you will **not** be charged:

- Overdue charges (but please return the items as soon as you can, so that they can be borrowed by other library users)
- For borrowing talking books
- For requesting an item

**If you would like to register for this service you need to:**

- Complete this membership form
- Ask your family member or friend to **countersign the declaration** and take it to the library of your choice.

If you are **not** already a member of the library, your friend or family member will be asked to bring you a library membership form to sign, and to return with a proof of your address.
