Dear Pembrokeshire County Council,

I would like to state an objection to site number 085 North Bulford Road. In a previous objection we had noted that the traffic in the village and particularly on the road leading to site 085 and the junction that leads onto the main Tiers Cross road is totally unsuitable for more traffic. Considering that site 455 North Bulford Road will have a considerable amount of Specialist housing with support the traffic increase would be dangerous for existing residents. I would like to see where this has been taken into consideration when considering 085 as being suitable for more housing.

Regard
Tracey Papps
