Objecting to extension of G&T site at withybush

Selected Features:

Manually entered Comments: I strongly object to the extension of withybush G&T site due to the fact you are disturbing a settled community that has been settled and lived in harmony with surrounding neighbours and the community. We as a family have lived on pitch 4 since 1975 and although we are from a G&T background we do not mix or co habit with other families within the area. By extending the site you are not considering the current communities feelings, rights or showing any form of empathy or respect for a settled and content way of life. You are opening up a can of worms by placing the "unknown" into this community - meaning surrounding homes and neighbours as placing the "unknown" into this settled community is already causing ill feeling. There are numerous reasons that have already been aired during the meeting at County Hall in regards to the objection to this proposed extension.
