PLANNING APPLICATION-----HSG/152/LDP2/1 340
SITE SOUTH OF BROR DDERWEN
FROM MR GEOFF UNDERWOOD 54 BROR DDERWEN CLUNDERWEN SA66 7NR

MY OBJECTIONS ARE AS FOLLOWS

- 1---There will be increased traffic into the village over & above the huge lorries heading north
- 2---Turning right into the Estate is dangerous
- 3---
To get to the new houses will be horrendous . via a narrow stretch at the start of Bror Dderwen with cars parked
& leading to a strange shaped awkward bend at which point entrance will be to the left
- 4-----
There will be bad environmental impact removal of hedges leading to loss of habitat for animals & birds
- 5---
My house overlooks the field bringing the value down & I will suffer building work noise for months
- 6---
At the moment the hedge at the bottom of my garden is cut by the farmer south side & top

how will I access this part of hedge

7----

At present a woodpecker visits my garden & I see Birds of Prey regularly This will probably cease

Yours Sincerely Mr Geoff Underwood
