If you want to suggest a new site, please attach a site plan identifying the boundaries of the site you wish to be included in the Plan and provide details of its proposed use. You should consider whether it is necessary for this comments form to be accompanied by a sustainability appraisal. Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

Tests of Soundness: Test 2

Draft policy SP 9 provides a positive framework for considering a range of forms of development in Service Centres and Service Villages.

The policy makes reference to meeting the needs of the 'community' in relation to housing. Specifically in reference to criterion 3 the policy refers to "local community". The term 'local' is not defined in policy and as it currently stands it is unclear what local needs would entail.

Needs should be at an appropriate level in order to capture the level of housing need that exists and to ensure that this can be distributed in a sustainable manner that supports the wellbeing of existing settlements and communities. Pembrokeshire Living Limited considers the most appropriate level to do this would be at Housing Market Area (HMA) level - this would also ensure consistency with PPW. The HMAs in Pembrokeshire should be defined in the Plan, in accordance with the Welsh Government's Undertaking Local Housing Market Assessments guidance 2022.

Suggested policy wording:

"In the various Service Centres and Service Villages, development will encourage sustainable communities, a thriving rural economy, place-making and well-being by ensuring:

- 1. Development is of a scale and nature identified as being appropriate for the settlement.*
- 2. "High quality accommodation of tenure(s) appropriate for the housing needs of the ~~community~~ **defined Housing Market Area**;*
- 3. Opportunities for new commercial, employment, retail, tourism, leisure, recreational, open space, green infrastructure and community facilities which are accessible and serve the **defined Housing Market Area** ~~local community~~.*

Exceptionally, appropriate land uses which are well-related to the Settlement Boundary can take place provided they satisfy this and all other policy considerations".

Ticiwch yma os ydych chi'n cyflwyno deunydd ychwanegol i gefnogi eich sylw.

Tick here if you are submitting additional material to support your representation.

6. Os ydych yn gwrthwynebu'r Cynllun Datblygu Lleol, ydych am siarad mewn sesiwn

gwrandawriad yr Archwiliad cyhoeddus?

Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a siarad mewn 'sesiwn gwrandawriad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawriad. Sylwer hefyd y bydd yr Arolygydd yn pennu'r weithdrefn fwyaf priodol ar gyfer darparu ar gyfer y rhain sydd eisiau rhoi tystiolaeth lafar.

6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

Nid wyf am siarad mewn sesiwn gwrandawriad ac rwyf yn fodlon i'm sylwadau ysgrifenedig gael eu hystyried gan yr Arolygydd.

I do not want to speak at a public hearing and am happy for my written representations to be considered by the Inspector.

Rwyf am siarad mewn sesiwn gwrandawriad.

I want to speak at a public hearing.

Os ydych chi eisiau cyfranogi mewn gwrandawriad, nodwch isod am beth rydych chi eisiau siarad (e.e. 'Safle Tai ym Mhen y Graig' neu 'Y targed tai cyffredinol').

If you want to participate in a hearing, indicate below what you want to speak about (e.g. 'Housing site at Pen y Graig' or 'The overall housing target').

9. Os ydych am siarad, byddai'n ddefnyddiol pe gallech nodi ym mha iaith yr hoffech gael eich clywed.

9. If you wish to speak, it would be helpful if you could indicate in which language you would like to be heard.

Rwy'n dymuno cael fy nghlywed yn Gymraeg.

I wish to be heard in Welsh.

*Caiff Cynllun Datblygu Lleol Cyngor Sir Penfro ei archwilio gan Arolygydd annibynnol a benodir gan Lywodraeth Cymru. Gwaith yr Arolygydd yw ystyried a yw'r Cynllun yn bodloni **gofynion gweithdrefnol** ac a yw'n **gadarn**.*

'Gellir ystyried 'Cadarn' yn y cyd-destun hwn o fewn ei ystyr arferol o 'dangos barnu da' a 'gellir ymddiried ynddo'. Y cwestiynau neu'r 'profion' y bydd yr Arolygydd yn eu hystyried wrth benderfynu a yw'r Cynllun yn gadarn yw:

- 1. Ydy'r cynllun yn ffitio? (h.y. a yw'n gyson â chynlluniau eraill?)*
- 2. Ydy'r cynllun yn briodol? (h.y. a yw'n briodol ar gyfer yr ardal yng ngoleuni'r dystiolaeth?)*
- 3. A fydd y cynllun yn cyflawni? h.y. a yw'n debygol o fod yn effeithiol?)*

Darperir rhagor o wybodaeth am y profion cadernid a gofynion gweithdrefnol yn Arweiniad Gweithdrefnol ar Archwiliadau Cynllun Datblygu Lleol yr Arolygiaeth Gynllunio.

Os ydych yn gwrthwynebu, dylech ddweud pam rydych yn credu bod y Cynllun yn ansad a sut y dylid newid y Cynllun er mwyn ei wneud yn gadarn.

Lle cynigiwch newid i'r Cynllun, byddai o gymorth esbonio pa brawf/broffion cadernid y credwch y mae'r Cynllun yn eu methu. Os yw eich sylw yn perthyn i'r ffordd gafodd y Cynllun ei baratoi neu'r ffordd yr ymgynghorwyd arno, mae'n debygol y bydd eich sylwadau yn perthyn i 'ofynion gweithdrefnol'.

Fydd methu adnabod prawf ddim yn golygu na chaiff eich sylwadau eu hystyried, cyhyd â'i fod yn perthyn i'r Newidiadau Canolbwyntiedig. Dylech gynnwys eich holl sylwadau ar y ffurflen, gan ddefnyddio dogfennau ychwanegol a thystiolaeth ategol lle bod angen.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Tests of Soundness: 2 & 3

Test 2

Policy GN 13 makes reference to meeting “*local needs*”. The term ‘local’ is not defined in policy and as it currently stands it is unclear what local needs would entail.

Needs should be at an appropriate level in order to capture the level of housing need that exists and to ensure that this can be distributed in a sustainable manner that supports the wellbeing of existing settlements and communities. Pembrokeshire Living Limited considers the most appropriate level to do this would be at Housing Market Area (HMA) level - this would also ensure consistency with PPW. The HMAs in Pembrokeshire should be defined in the Plan, in accordance with the Welsh Government’s Undertaking Local Housing Market Assessments guidance 2022.

Test 3

Draft policy GN 13 supports the delivery of four broad types of residential developments.

The policy (in part) states:

“Residential development including self-build will be permitted where the proposal is for one or more of the following:

- 1. Open market housing (including self-catering accommodation) or affordable housing to meet local needs, located within the Settlement Boundary of a Main or Rural Town, Service Centre, Service Village or Local Village as defined in the settlement hierarchy.” (our emphasis)*

Referring to open market, self-catering and affordable housing appears to limit the types of property that could come forward within the settlement boundaries. The aim of the policy is to provide a supportive framework for the delivery of homes in sustainable locations, whether that is new homes within settlements, replacement or sub-division of existing dwellings, conversions of historic buildings, or One Planet Development schemes. Its function will be to provide the basis for considering the acceptability of dwellings that come forward outside of the proposed allocations and commitments.

The reference to “*open market*” and “*affordable homes*” seems unnecessary in this context. The term ‘open market’ is not used in PPW at all. Instead, the term ‘market’ is used.

A Local Housing Market Assessment is required to inform the preparation of plans. The 2022 guidance for local authorities to prepare the assessments states that:

“Housing provision must be responsive to changes in the levels of need and demand in an area. LHMAAs are designed to give broad, long-run estimates of what future local housing need might be, rather than precision estimates.”

It goes on to say:

“Additional housing need estimates are broken down into the number of households who are likely to afford market housing, covering owner occupation and private sector rent, and affordable housing covering intermediate rent, LCHO and social rent.”

The LHMA also states:

“The aim of this chapter is to consider the specific housing need requirements of the full diversity of households within a local authority to better support people to live well and with dignity, and to live independently for as long as possible.”

It goes on to list types of housing or housing-related provisions which also need to be considered as part of the LHMA e.g. students. Whilst this list appears exhaustive, in reality, this list might be longer to serve specific needs of the LHMA. Pembrokeshire Living Limited consider that policy GN 13 should use an open rather than closed list.

It is not clear in this case whether the Council is seeking adherence to the housing mix set out in the LHMA but if that is the intention, the requirement is not currently contained in policy. Restricting any consideration of housing mix to the LHMA would also base it at a point in time and so may not reflect the prevailing conditions at the time of determination of a planning application. To this end, it is noted that the LHMA was published in July 2021 and is therefore already considered out of date as it does not fully have regard to the impact of post-COVID-19 trends on household occupancy rates. This reduces its ability to serve as a basis by which the future housing mix of development proposals might be assessed.

Over the course of a plan period, the need for different types of properties might change and the policies should be sufficiently flexible to adapt over this time rather than there being a question of whether a particular type of home is limited by policy. In reality, sites within settlement boundaries are likely to be the most sustainable locations for new homes.

The word “home” is included throughout PPW and is included as part of the National Placemaking Objectives. It seems sensible to use the same term to describe a range of properties that meet emerging needs.

The matter or tenure is not necessary a part of this policy. Emerging policies SP 9 and GN 15 address the need to deliver a diverse range of tenure and in, the context of the purpose of this policy, it is considered redundant.

Having considered the purpose of criterion 1 to locate homes in settlement boundaries and the need to embed flexibility over the plan period, the wording of the first criterion should be amended to:

1. *~~Open market housing (including self-catering accommodation) or affordable housing~~ **Homes**, to meet ~~local~~ **needs of the identified Housing Market Area**, located within the Settlement Boundary of a Main or Rural Town, Service Centre, Service Village or Local Village as defined in the settlement hierarchy.” (our emphasis).*

The purpose of this policy is to provide a basis for the determination of planning applications for non-allocated and uncommitted (Class C3 and Class C5) residential developments in Pembrokeshire. It serves an entirely different purpose to one dealing with Class C6 self-catering accommodation. Pembrokeshire Living Limited consider that self-catering accommodation should not be addressed within this policy but should instead be controlled by way of a separate policy, or as part of a tourism-related policy.

Draft policy GN 13 sets out a minimum density requirement of at least 23 dwellings per hectare for new homes on allocated sites in Service Centres and Service Villages (or sites of 0.10ha and above).

Reference to minimum densities and the exceptional circumstances that may justify lower densities should be amended. The policy currently reads (in part) as:

“In exceptional circumstances evidence of infrastructure or physical constraints may justify a lower density”.

These ‘exceptional circumstances’ currently read as a closed list which would not allow for consideration of any other restrictive circumstances. It is recommended that this is re-worded to ensure that the policy is

effective in delivering appropriate densities rather than preventing development being delivered. A suggested revision to the final sentence of the policy is set out below:

“A lower density may be justified in exceptional circumstances, such as evidence of infrastructure or physical constraints may justify a lower density”.

6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

Nid wyf am siarad mewn sesiwn gwrandawriad ac rwyf yn fodlon i'm sylwadau ysgrifenedig gael eu hystyried gan yr Arolygydd.

1. Ydy'r cynllun yn ffitio? (h.y. a yw'n gyson â chynlluniau eraill?)
2. Ydy'r cynllun yn briodol? (h.y. a yw'n briodol ar gyfer yr ardal yng ngoleuni'r dystiolaeth?)
3. A fydd y cynllun yn cyflawni? h.y. a yw'n debygol o fod yn effeithiol?)

Darperir rhagor o wybodaeth am y profion cadernid a gofynion gweithdrefnol yn Arweiniad Gweithdrefnol ar Archwiliadau Cynllun Datblygu Lleol yr Arolygiaeth Gynllunio.

Os ydych yn gwrthwynebu, dylech ddweud pam rydych yn credu bod y Cynllun yn ansad a sut y dylid newid y Cynllun er mwyn ei wneud yn gadarn.

Lle cynigiwch newid i'r Cynllun, byddai o gymorth esbonio pa brawf/broffion cadernid y credwch y mae'r Cynllun yn eu methu. Os yw eich sylw yn perthyn i'r ffordd gafodd y Cynllun ei baratoi neu'r ffordd yr ymgynghorwyd arno, mae'n debygol y bydd eich sylwadau yn perthyn i 'ofynion gweithdrefnol'.

Fydd methu adnabod prawf ddim yn golygu na chaiff eich sylwadau eu hystyried, cyhyd â'i fod yn perthyn i'r Newidiadau Canolbwyntiedig. Dylech gynnwys eich holl sylwadau ar y ffurflen, gan ddefnyddio dogfennau ychwanegol a thystiolaeth ategol lle bod angen.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Tests of Soundness: Test 2 & 3

Test 2:

Draft policy GN 15 sets out criteria for residential development and short-term lets and recognises the importance of ensuring that the needs of local communities are met.

Whilst it is important to ensure that local needs are met, this policy might be too limiting and so a balance should be secured by seeking to meet needs at a wider rather than local level. In the same way as representations have been made with respect to emerging policies SP 9 and GN 13, needs should be at an appropriate level in order to capture the level of housing need that exists and to ensure that this can be distributed in a sustainable manner that supports the wellbeing of existing settlements and communities. Pembrokeshire Living Limited considers the most appropriate level to do this would be at Housing Market Area (HMA) level - this would also ensure consistency with PPW. However, the first paragraph of policy GN 15 specifically restricts to meeting needs of the local community. The HMAs in Pembrokeshire should be defined in the Plan, in accordance with the Welsh Government's Undertaking Local Housing Market Assessments guidance 2022.

Test 3:

With reference to the specific criterion, it is noted that:

Criterion B is endorsed as it recognises that a mix of housing types, tenures and bedroom numbers are to be delivered to meet the needs at the Plan level. This creates an effective policy and reflects our comments on the need to often consider above the community level.

In respect of Criterion C, we assume that the policy objective is to avoid an over-concentration of secondary residences and short-term lets. However, as presently drafted, it appears to seek a mix of residential use types e.g. secondary and short-term as part of any residential development. We consider that this criterion would benefit from redrafting to ensure greater clarity.

Criterion D requires properties to deliver a percentage of Lifetime Home Standards. This is likely to be relevant to most new built residential development but there may be some types of properties where this is not necessary e.g. for student accommodation. Alternative standards could be used in such properties to reflect the nature of these different typologies of residential use. The wording should be amended to require the standard where relevant to ensure its application is consistent.

Criterion E: "*Space standards*" have not been identified and therefore cannot be considered at this stage. It may be that the standards are not necessary for all types of property beyond those listed. The wording should also be amended to reflect this.

Suggested policy wording as follows:

*"New and existing residential development should contribute to the creation of balanced communities and meet the market and affordable housing needs of the **identified Housing Market Area** local community."*

Proposals for residential development (including the change of use) should:

A. Maximise the delivery of affordable housing in accordance with Policy GN 20 – Local Needs Affordable Housing;

B. Provide an appropriate mix of housing types, tenures and bedroom numbers, to meet the identified needs of the Plan's current and future communities;

*C. **Where relevant**, provide an appropriate balance of housing as main, primary residences (Use Class C3), secondary residences (Use Class C5) and short-term lets (Use Class C6) to ensure housing is available for people in local need, to maintain and strengthen the Welsh language and culture and to sustain existing communities;*

*D. **Where relevant**, all new build residential development on sites of 5 or more units must provide a minimum of 20% of properties built to Lifetime Homes Standards **or equivalent** and in addition, wheelchair user dwellings will be supported; and*

*E. **Where relevant**, all residential development must be built in accordance with identified space standards, unless the proposal is for the adaptation or conversion of a listed, historic or traditional agricultural building and it is not possible for the building to meet the standards without impacting negatively on the character of the property”.*

3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

or new site.

5. Rhestrwch eich sylwadau isod.

Dylech gynnwys yr holl wybodaeth, tystiolaeth a gwybodaeth ategol sydd eu hangen i gefnogi/cyfiawnhau eich sylw. Nodwch pa brawf/profion cadernid mae'r Cynllun Datblygu Lleol yn eu bodloni neu nad yw'n eu bodloni a pham (gweler y nodiadau cyfarwyddyd i gael rhagor o wybodaeth). Bydd hyn yn helpu'r Awdurdod a'r Arolygydd i ddeall y materion y byddwch yn eu codi. Dim ond os bydd yr Arolygydd yn eich gwahodd i fynd i'r afael â materion y bydd yn eu codi y byddwch yn gallu cyflwyno rhagor o wybodaeth i'r archwiliad. Sylwer na fydd yr Arolygydd wedi gallu gweld unrhyw sylwadau y gallech fod wedi'u gwneud mewn ymateb i ymgynghoriadau blaenorol.

5. Please set out your comments below.

Include all the information, evidence and supporting information necessary to support / justify your representation. Please indicate which soundness test(s) the LDP meets or does not meet, and why (see guidance notes for more information). This will help the Authority and the Inspector to understand the issues you raise. You will only be able to submit further information to the examination if the Inspector invites you to address matters that he or she may raise. Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

Draft policy SP 6 identifies Begelly as a Service Village of the Rural Settlements within the hierarchy. Kilgetty by comparison is identified as a Service Centre. The classifications for these two settlements appear appropriate, reflecting their functional characteristics and the respective availability of services and facilities.

The identification of Begelly as a Service Village recognises the relative locational sustainability of the settlement, and in this regard, emerging Policy SP 6 is endorsed.

The proximity of Begelly to Kilgetty should be noted. The two settlements are connected by footpaths and appropriate dropped kerb road crossings. This means that residents of Begelly can access a wider range of facilities and services in Kilgetty by foot, enhancing the locational sustainability of both settlements.

Ticiwch yma os ydych chi'n cyflwyno deunydd ychwanegol i gefnogi eich sylw.

Tick here if you are submitting additional material to support your representation.

6. Os ydych yn gwrthwynebu'r Cynllun Datblygu Lleol, ydych am siarad mewn sesiwn gwrandawriad yr Archwiliad cyhoeddus?

Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a siarad mewn 'sesiwn gwrandawriad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawriad. Sylwer hefyd y bydd yr Arolygydd yn pennu'r weithdrefn fwyaf priodol ar gyfer darparu ar gyfer y rhain sydd eisiau rhoi tystiolaeth lafar.

6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written

comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

Nid wyf am siarad mewn sesiwn gwrandawriad ac rwyf yn fodlon i'm sylwadau ysgrifenedig gael eu hystyried gan yr Arolygydd.
I do not want to speak at a public hearing and am happy for my written representations to be considered by the Inspector.

If you want to participate in a hearing, indicate below what you want to speak about (e.g. 'Housing site at Pen y Graig' or 'The overall housing target').

9. Os ydych am siarad, byddai'n ddefnyddiol pe gallech nodi ym mha iaith yr hoffech gael eich clywed.

1. Ydy'r cynllun yn ffitio? (h.y. a yw'n gyson â chynlluniau eraill?)
2. Ydy'r cynllun yn briodol? (h.y. a yw'n briodol ar gyfer yr ardal yng ngoleuni'r dystiolaeth?)
3. A fydd y cynllun yn cyflawni? h.y. a yw'n debygol o fod yn effeithiol?)

Darperir rhagor o wybodaeth am y profion cadernid a gofynion gweithdrefnol yn Arweiniad Gweithdrefnol ar Archwiliadau Cynllun Datblygu Lleol yr Arolygiaeth Gynllunio.

Os ydych yn gwrthwynebu, dylech ddweud pam rydych yn credu bod y Cynllun yn ansad a sut y dylid newid y Cynllun er mwyn ei wneud yn gadarn.

Lle cynigiwch newid i'r Cynllun, byddai o gymorth esbonio pa brawf/broffion cadernid y credwch y mae'r Cynllun yn eu methu. Os yw eich sylw yn perthyn i'r ffordd gafodd y Cynllun ei baratoi neu'r ffordd yr ymgynghorwyd arno, mae'n debygol y bydd eich sylwadau yn perthyn i 'ofynion gweithdrefnol'.

Fydd methu adnabod prawf ddim yn golygu na chaiff eich sylwadau eu hystyried, cyhyd â'i fod yn perthyn i'r Newidiadau Canolbwyntiedig. Dylech gynnwys eich holl sylwadau ar y ffurflen, gan ddefnyddio dogfennau ychwanegol a thystiolaeth ategol lle bod angen.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Emerging policy SP 7 cross references to the settlement boundaries shown on the draft Proposals Map. The settlement boundary for Begelly includes the Residential Commitment at land North of New Road (emerging policy GN 17). This site logically connects existing residential communities at Church Close and Parsonage Lane with the wider village.

The inclusion of land North of New Road within the settlement boundary is endorsed.

Protection of the natural environment

Tests of soundness: 1 and 3

Draft Policy SP12 includes the following sentence:

"All development proposals will be required to protect, conserve and enhance the natural environment, including:..."

The subsequent list is then preceded by the word 'protecting' for a range of natural environment resources.

Pembrokeshire Living Limited considers that the use of the word 'protect' in this strategic policy sets a threshold that is not reasonable in relation to all elements of the natural environment.

As set out at para 4.66 of the Deposit document, the Section 6 Duty imposes a requirement for planning authorities to "...maintain and enhance biodiversity... This means development should not cause any significant loss of habitats or populations of species (not including non-native invasive species), locally or nationally and must work alongside nature and must provide a net benefit for biodiversity and improve, or enable the improvement, of the resilience of ecosystems" (PPW paragraph 6.4.5).

PPW also states that "Planning authorities must follow a step-wise approach to maintain and enhance biodiversity, build resilient ecological networks and deliver net benefits for biodiversity by ensuring that any adverse environmental effects are firstly avoided, then minimized, mitigated, and as a last resort compensated for. Enhancement must be secured by delivering a biodiversity benefit primarily on site or immediately adjacent to the site, over and above that required to mitigate or compensate for any negative impact" (paragraph 6.4.11).

There are parts of PPW that require protection of the natural environment, particularly in relation to designated sites and for protected species. However, not all of the County's natural environment falls within such designations.

The requirement to protect and conserve is not consistent with PPW or the Section 6 Duty.

Pembrokeshire Living Limited suggest that the sentence is rewritten as:

"All development proposals will be required to ~~protect, conserve~~ maintain and enhance the natural environment" (striketrough to remove and underline to include) to allow more flexibility for development to meet the environmental standards appropriate for the development. This amendment would allow SP12 to meet the first and third tests of soundness and to be consistent with emerging Policy GN 44 that references the use of the step-wise approach.

It is suggested that the subsequent list is then updated to remove the word 'Protecting' when it does not relate to designations.

Net benefit for biodiversity

Tests of soundness: 1 and 3

Reference to '*Delivering net biodiversity gain*' should be amended to '*Delivering a net benefit for biodiversity*'. This would ensure consistency in terminology and methodology with PPW. It would also avoid any confusion with the legal requirements and methodology to deliver a net biodiversity gain in England.

6. Os ydych yn gwrthwynebu'r Cynllun Datblygu Lleol, ydych am siarad mewn sesiwn gwrandawriad yr Archwiliad cyhoeddus?

Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a siarad mewn 'sesiwn gwrandawriad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawriad. 6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Tests of Soundness: 1 and 3

Draft policy GN 1 provides a series of general criteria that must be met. The majority of these criteria are reasonable and allow for mitigation to address any unacceptable harm arising from the proposed development to make the development acceptable. Pembrokeshire Living Limited considers that criterion 2 does not adopt a similar approach and would raise the following concerns:

1. Whilst the threshold of significant impact for visual impact, loss of light and privacy is reasonable, the criterion should clearly include the ability to include mitigation measures as part of design proposals to minimise impacts.
2. The threshold for the pollution impacts should be lower than 'significant' as impacts just below significant could have unacceptable effects on sensitive receptors in the existing and planned communities.
3. In line with the approach set out in criteria 3, 4 and 5, the policy should allow for mitigation measures in respect of visual and pollution impacts (criterion 2), highway impacts (criterion 6), flood risk (criterion 8), and water quality (criterion 9). This would reflect the provisions of PPW which states that mitigation measures can be applied to planning permissions in order to address any potentially adverse impacts associated with development proposals.

National policy seeks to reduce pollution overall. In relation to air and noise pollution, for example, PPW requires a reduction or minimisation of exposure (Paragraph 6.74) while the agent of change principle requires those introducing a change to be responsible for managing this change to ensure that development is acceptable (Paragraph 6.7.5). Paragraph 6.8.4 of PPW is clear that mitigation measures through the design and operation of lighting systems can be attached to planning permissions to ensure that the balancing needs set out at paragraph 6.8.1 can be met. The threshold of impacts from pollution need to be considered in the context of the application site and its surrounding neighbours. It also needs to be clear that measures to mitigate impacts can be embedded into the scheme design or controlled through condition.

To address these points, Criterion 2 could be replaced with two separate criterion:

It would not result in a significant detrimental impact upon local amenity in terms of visual impact, loss of light or privacy.

It would not cause an unacceptable adverse impact upon local amenity that cannot be mitigated in terms of light, odour, smoke, fumes, dust, air quality, noise or vibration levels.

Such changes will allow the policy to be readily and consistently understood and easily implemented to ensure it is effective in its application.

3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

Tests of Soundness: Test 1, 2 and 3

Policy GN 2 is generally reasonable. It includes an important and appropriate limitation of the criterion only applying where it is 'relevant'. This will ensure that the policy is not unduly onerous on projects for which a particular criterion would not be necessary e.g. a building is not proposed, there is no need to collect waste materials, or the proposal would not need to deliver a flexible and adaptable design.

However, Pembrokeshire Living Limited has concerns in relation to criterion 3, and specifically in reference to the need for local and sustainable construction materials.

Whilst paragraph 5.23 of the consultation documents states that recycled materials are expected where appropriate, no further guidance is provided to understand what this might mean when applied during the determination stage. From experience, some materials can be extremely hard to source locally in Pembrokeshire and/or can result in viability pressures that have unintended consequences to the delivery of wider objectives in the plan. Limiting materials to the local area is likely to be unsustainable in itself and is not justified in the supporting text or evidence base.

PPW does not have the same restrictions. Instead, it refers to the Circular Economy and encourages the adoption of these principles as part of policies and development management decisions where it is possible (from paragraph 5.11).

Failing to include realistic policy criterion is likely to undermine the goals of the policy and will almost certainly be applied in an inconsistent way. This would raise concerns as to the effectiveness of the policy.

Recognising the intention to seek to reduce the use of resources, reduce climate change emissions, and adopt an energy efficient response, an alternative approach is proposed. Reference to a requirement for local and sustainable construction should be removed and replaced with a new criterion requiring the exploration of opportunities in line with the circular economy principles on a project-by-project basis.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

Test of Soundness: 2

Draft policy GN 17 sets out the residential commitments already in place in Pembrokeshire, namely sites with planning permission for such development. Included in this is the identification of land North of New Road, Begelly (Reference 003/00040).

The Housing Land Supply Report (July 2024) used as evidence to support the preparation of the emerging plan, states the following in relation to this site:

“Outline 11/0687/PA approved 27/03/2015 and reserved matters 17/0936/PA approved 26/07/2018. Planning permission has potentially not been implemented. Included 50% as site lies within the proposed settlement boundary, so could come forward in the future”. (emphasis added)

Pembrokeshire Living Limited can confirm that planning permission was lawfully implemented prior to the expiration of the planning permission. The evidence base (namely the Housing Land Supply Report, July 2024) should be updated to reflect this position.

Currently, the emerging plan is not based on the most up-to-date evidence. Information to ensure the report is up-to-date was not sought from Pembrokeshire Living Limited prior to the report being completed.

Os ydych yn gwrthwynebu, dylech ddweud pam rydych yn credu bod y Cynllun yn ansad a sut y dylid newid y Cynllun er mwyn ei wneud yn gadarn.

Lle cynigiwch newid i'r Cynllun, byddai o gymorth esbonio pa brawf/broffion cadernid y credwch y mae'r Cynllun yn eu methu. Os yw eich sylw yn perthyn i'r ffordd gafodd y Cynllun ei baratoi neu'r ffordd yr ymgynghorwyd arno, mae'n debygol y bydd eich sylwadau yn perthyn i 'ofynion gweithdrefnol'.

Fydd methu adnabod prawf ddim yn golygu na chaiff eich sylwadau eu hystyried, cyhyd â'i fod yn perthyn i'r Newidiadau Canolbwyntiedig. Dylech gynnwys eich holl sylwadau ar y ffurflen, gan ddefnyddio dogfennau ychwanegol a thystiolaeth ategol lle bod angen.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Emerging policy GN 22 supports new specialist or supported accommodation where a need has been identified and where criteria are met. This provides a positive framework for the delivery of specialist or supported accommodation within Pembrokeshire.

The emerging policy is vital given the projected population change, particularly in relation to older people, over the plan period and beyond. Whilst the draft policy itself does not explicitly refer to accommodation for older people, it is evident from the supporting paragraphs that accommodation to meet the needs of older people is included within this policy.

Whilst the evidence base to support this emerging policy is now six years old, up-to-date analysis of data prepared for Pembrokeshire Living Limited presents a similar picture. There is an evident and growing demand for a range of accommodation to meet the needs of the existing and future populations of the County, including specialist accommodation for older people. It is right that a general development management policy is included to bolster the proposed allocations at emerging policy GN 23 so that development proposals that seek to meet the identified need are welcomed.

The draft policy is endorsed.

Draft policy GN 23 allocates four sites for specialist and supported accommodation; two in Tenby, one in Narbeth and one in Tiers Cross. These sites will make a contribution towards meeting an identified need (as set out in the supporting text (paragraph 5.124 through to 5.128) of policy GN 22).

There are, however, only four proposed allocations, all of which are focused on the provision of facilities with a higher level of care. However, paragraph 5.129 of the emerging plan states that there is a substantial need in Pembrokeshire. These four sites will therefore not meet the identified need in full. No further provision is made to address the significant need for housing for older people in the emerging plan. This serves to reinforce why emerging policy GN 22 is essential.

Darperir rhagor o wybodaeth am y profion cadernid a gofynion gweithdrefnol yn Arweiniad Gweithdrefnol ar Archwiliadau Cynllun Datblygu Lleol yr Arolygiaeth Gynllunio.

Os ydych yn gwrthwynebu, dylech ddweud pam rydych yn credu bod y Cynllun yn ansad a sut y dylid newid y Cynllun er mwyn ei wneud yn gadarn.

Lle cynigiwch newid i'r Cynllun, byddai o gymorth esbonio pa brawf/broffion cadernid y credwch y mae'r Cynllun yn eu methu. Os yw eich sylw yn perthyn i'r ffordd gafodd y Cynllun ei baratoi neu'r ffordd yr ymgynghorwyd arno, mae'n debygol y bydd eich sylwadau yn perthyn i 'ofynion gweithdrefnol'.

Fydd methu adnabod prawf ddim yn golygu na chaiff eich sylwadau eu hystyried, cyhyd â'i fod yn perthyn i'r Newidiadau Canolbwyntiedig. Dylech gynnwys eich holl sylwadau ar y ffurflen, gan ddefnyddio dogfennau ychwanegol a thystiolaeth ategol lle bod angen.

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)
2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)
3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Os ydych yn ceisio am fwy nag un newid i'r Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

I gael rhagor o wybodaeth am gadernid a gofynion gweithdrefnol, gweler y nodiadau cyfarwyddyd.

2. Before you set out your comments in detail, it would be helpful to know whether you think the Plan is sound and meets the procedural requirements.

Dylech ystyried a oes angen i'r ffurflen sylwadau hon gael ei hategu gan arfarniad o gynaliadwyedd. Lle bo gan newidiadau arfaethedig i Gynllun Datblygu effeithiau cynaliadwyedd sylweddol, bydd angen i chi ddarparu'r wybodaeth berthnasol ar gyfer arfarnu cynaliadwyedd. Mae'n rhaid i'r wybodaeth hon fod yn gyson â chwmpas a lefel manylder yr arfarniad o gynaliadwyedd a gynhaliwyd gan yr Awdurdod. Dylai hefyd gyfeirio at yr un wybodaeth waelodlin wrth amlygu effeithiau sylweddol tebygol y polisi arfaethedig neu safle newydd.

If you want to suggest a new site, please attach a site plan identifying the boundaries of the site you wish to be included in the Plan and provide details of its proposed use. You should consider whether it is necessary for this comments form to be accompanied by a sustainability appraisal. Where proposed changes to a development plan have significant sustainability effects, you will need to provide the relevant sustainability appraisal information. This information must be consistent with the scope and level of detail of the sustainability appraisal conducted by the Authority. It should also refer to the same baseline information in identifying the likely significant effects of the revised policy or new site.

5. Rhestrwch eich sylwadau isod.

Dylech gynnwys yr holl wybodaeth, tystiolaeth a gwybodaeth ategol sydd eu hangen i gefnogi/cyfiawnhau eich sylw. Nodwch pa brawf/profion cadernid mae'r Cynllun Datblygu Lleol yn eu bodloni neu nad yw'n eu bodloni a pham (gweler y nodiadau cyfarwyddyd i gael rhagor o wybodaeth). Bydd hyn yn helpu'r Awdurdod a'r Arolygydd i ddeall y materion y byddwch yn eu codi.

Dim ond os bydd yr Arolygydd yn eich gwahodd i fynd i'r afael â materion y bydd yn eu codi y byddwch yn gallu cyflwyno rhagor o wybodaeth i'r archwiliad. Sylwer na fydd yr Arolygydd wedi gallu gweld unrhyw sylwadau y gallech fod wedi'u gwneud mewn ymateb i ymgynghoriadau blaenorol.

5. Please set out your comments below.

Include all the information, evidence and supporting information necessary to support / justify your representation. Please indicate which soundness test(s) the LDP meets or does not meet, and why (see guidance notes for more information). This will help the Authority and the Inspector to understand the issues you raise. You will only be able to submit further information to the examination if the Inspector invites you to address matters that he or she may raise. Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

Tests of Soundness: 1 and 2

Draft policy GN 44 sets out emerging policy for the 'Protection and Enhancement of Biodiversity'. It is recognised that the policy aims to ensure that species and their habitats are maintained from the potentially adverse effects of development and are then enhanced.

For this policy to be effective it needs to be consistent with national policy. Currently, it is not written to be consistent with PPW and the additional thresholds presented are not justified. It is therefore not sound.

The policy includes requirements that do not align with PPW. For example, Chapter 6 of PPW sets out that any non-statutory protected sites should apply the step-wise approach to determine the impacts on habitats and species. As it is currently written, draft policy GN 44 makes no allowance for the step-wise approach to be considered in the same way. The only reference to the step-wise approach in the policy is made in reference to the requirement for all development proposals must submit a Green Infrastructure Statement to demonstrate a net benefit for biodiversity. The draft policy introduces a need to demonstrate exceptional circumstances for every proposal where any habitat or a protected species might be disturbed. This is extremely limiting. Notwithstanding that the 'exceptional circumstances' is not defined, the threshold is far in excess of the approach taken in PPW which balances the need for (a range of) development against the needs to maintain and enhance biodiversity and the resilience of ecosystems.

Accordingly, the second paragraph of the emerging policy should be reviewed in its entirety.

The use of the word 'Protection' in the policy title should be removed and replaced with the word 'Maintenance'. Recommended policy title '*Maintenance and Enhancement of Biodiversity*'.

Cross reference is also made to representations submitted with respect to draft policy SP 12 by Pembrokeshire Living Limited. Draft policy SP 12 includes the following sentence:

"All development proposals will be required to protect, conserve and enhance the natural environment, including:..."

The subsequent list is then preceded by the word 'protecting' for a range of natural environment resources.

The use of the word 'protect' and 'protecting' in this policy should also be reviewed on the same basis.

Ticiwch yma os ydych chi'n cyflwyno deunydd ychwanegol i gefnogi eich sylw.

Tick here if you are submitting additional material to support your representation.

6. Os ydych yn gwrthwynebu'r Cynllun Datblygu Lleol, ydych am siarad mewn sesiwn gwrandawriad yr Archwiliad cyhoeddus?

Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a

siarad mewn 'sesiwn gwrandawriad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawriad. Sylwer hefyd y bydd yr Arolygydd yn pennu'r weithdrefn fwyaf priodol ar gyfer darparu ar gyfer y rhain sydd eisiau rhoi tystiolaeth lafar.

6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

Nid wyf am siarad mewn sesiwn gwrandawriad ac rwyf yn fodlon i'm sylwadau ysgrifenedig gael eu hystyried gan yr Arolygydd.

X

I do not want to speak at a public hearing and am happy for my written representations to be considered by the Inspector.

Rwyf am siarad mewn sesiwn gwrandawriad.

I want to speak at a public hearing.

Os ydych chi eisiau cyfranogi mewn gwrandawriad, nodwch isod am beth rydych chi eisiau siarad (e.e. 'Safle Tai ym Mhen y Graig' neu 'Y targed tai cyffredinol').

If you want to participate in a hearing, indicate below what you want to speak about (e.g. 'Housing site at Pen y Graig' or 'The overall housing target').

9. Os ydych am siarad, byddai'n ddefnyddiol pe gallech nodi ym mha iaith yr hoffech gael eich clywed.

9. If you wish to speak, it would be helpful if you could indicate in which language you would like to be heard.

Rwy'n dymuno cael fy nghlywed yn Gymraeg.

I wish to be heard in Welsh.

Rwy'n dymuno cael fy nghlywed yn Saesneg.

I wish to be heard in English.

Caiff Cynllun Datblygu Lleol Cyngor Sir Penfro ei archwilio gan Arolygydd annibynnol a benodir gan Lywodraeth Cymru. Gwaith yr Arolygydd yw ystyried a yw'r Cynllun yn bodloni **gofynion gweithdrefnol** ac a yw'n **gadarn**.

'Gellir ystyried 'Cadarn' yn y cyd-destun hwn o fewn ei ystyr arferol o 'dangos barnu da' a 'gellir ymddiried ynddo'. Y cwestiynau neu'r 'profion' y bydd yr Arolygydd yn eu hystyried wrth benderfynu a yw'r Cynllun yn gadarn yw:

1. Ydy'r cynllun yn ffitio? (h.y. a yw'n gyson â chynlluniau eraill?)
2. Ydy'r cynllun yn briodol? (h.y. a yw'n briodol ar gyfer yr ardal yng ngoleuni'r dystiolaeth?)
3. A fydd y cynllun yn cyflawni? h.y. a yw'n debygol o fod yn effeithiol?)
