Before you set out your comments in detail, it would be helpful to know whether you think the Plan is sound and meets the procedural requirements.:

LDP 2 Deposit 2 plan text, LDP 2 Deposit 2 proposal map

Other (Please specify):

Please can I express my support not to include the development of 23 houses plus on Lower Lamphey Road Pembroke. This road already has problems with increasing numbers of yrraffic using the riad. This currently creates safety problems for car users and pedestrains. Alooing more houses to be built on this road would be detrimental. I also believe the site of the proposed building of houses would create traffic issues for cars coming in and out of the proosed housing site and those already using the riad. This is because the road is narrow, on bends and has poor visibility. Iam referencing LDP2, deposit plan 1 2020 residential allocation HSG/095/LDP2/3 which is LDP2 candidate site number CS373. This site covers a lagger area than HSG/095/LDP2/3.
