If you want to suggest a new site, please attach a site plan identifying the boundaries of the site you wish to be included in the Plan and provide details of its proposed use. You should consider whether it is necessary for this comments form to be accompanied by a sustainability appraisal. Where proposed changes to a development plan have significant sustainability effects, you will need to provide the relevant sustainability appraisal information. This information must be consistent with the scope and level of detail of the sustainability appraisal conducted by the Authority. It should also refer to the same baseline information in identifying the likely significant effects of the revised policy or new site.

5. Rhestrwch eich sylwadau isod.

Nodwch pa brawf/proffion cademid mae'r Cynllun Datblygu Lleol yn eu bodloni neu nad yw'n eu bodloni a pham (gweler y nodiadau cyfarwyddyd i gael rhagor o wybodaeth). 5. Please set out your comments below.

Include all the information, evidence and supporting information necessary to support / justify your representation. Please indicate which soundness test(s) the LDP meets or does not meet, and why (see guidance notes for more information). This will help the Authority and the Inspector to understand the issues you raise. You will only be able to submit further information to the examination if the Inspector invites you to address matters that he or she may raise. Please note that the Inspector will not have access to comments you may have made in response to previous consultations.

Ar y cam hwn, gallwch wneud sylwadau'n ysgrifenedig yn unig (gelwir y rhain yn 'sylwadau ysgrifenedig'). Fodd bynnag, gall pawb sydd am newid y Cynllun ymddangos gerbron yr Arolygydd a siarad mewn 'sesiwn gwrandawriad' yn ystod yr Archwiliad cyhoeddus. Ond dylech gofio y bydd yr Arolygydd yn rhoi'r un pwys ar eich sylwadau ysgrifenedig ar y ffurflen hon â'r rheiny a wneir ar lafar mewn sesiwn gwrandawriad. 6. If you are objecting to the LDP, do you want to speak at a hearing session of the public examination?

At this stage, you can only make comments in writing (these are called 'written representations'). However, everyone that wants to change the Plan can appear before and speak to the Inspector at a 'hearing session' during the public examination. But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please also note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

*Caiff Cynllun Datblygu Lleol Cyngor Sir Penfro ei archwilio gan Arolygydd annibynnol a benodir gan Lywodraeth Cymru. Gwaith yr Arolygydd yw ystyried a yw'r Cynllun yn bodloni **gofynion gweithdrefnol** ac a yw'n **gadarn**.*

1. Ydy'r cynllun yn ffitio? (h.y. a yw'n gyson â chynlluniau eraill?)

2. Ydy'r cynllun yn briodol? (h.y. a yw'n briodol ar gyfer yr ardal yng ngoleuni'r dystiolaeth?)

3. A fydd y cynllun yn cyflawni? h.y. a yw'n debygol o fod yn effeithiol?)

The Pembrokeshire County Council Local Development Plan (LDP) will be examined by an independent Inspector appointed by the Welsh Government. It is the Inspector's job to consider whether the Plan meets procedural requirements and whether it is sound.

'Sound' may be considered in this context within its ordinary meaning of 'showing good judgement' and 'able to be trusted'. The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are:

1. Does the plan fit? (i.e. is it consistent with other plans?)

2. Is the plan appropriate? (i.e. is it appropriate for the area in the light of the evidence?)

3. Will the plan deliver? (i.e. is it likely to be effective?)

More information on the soundness tests and procedural requirements is provided in the Planning Inspectorate's LDP Examinations Procedural Guidance.

If you are making an objection, you should say why you think the Plan is unsound and how the Plan should be changed to make it sound.

Where you propose a change to the Plan it would be helpful to make clear which test(s) of soundness you believe the Plan fails. If your comment relates to the way in which the Plan has been prepared or consulted on, it is likely that your comments will relate to 'procedural requirements'.

Failing to identify a test will not mean that your comments will not be considered, providing it relates to the Plan or its supporting documents. You should include all your comments on the form, using accompanying documents and supporting evidence where necessary.

Cynllun, nid yw bob tro yn angenrheidiol i lenwi ffurflenni ar wahân ar gyfer pob darn o'ch sylw. Fodd bynnag, gallai fod yn ddefnyddiol o bosibl i ddefnyddio dwy ffurflen ar wahân os ydych yn dymuno siarad mewn gwrandawriad am rai gwrthwynebiadau ond nid rhai eraill.

Pan fydd grŵp yn rhannu barn gyffredin ar sut mae'n dymuno i'r Cynllun gael ei newid, byddai'n ddefnyddiol i'r grŵp hwnnw anfon ffurflen unigol gyda'u sylwadau, yn hytrach na bod nifer fawr o unigolion yn anfon ffurflenni ar wahân yn ailadrodd yr un pwynt. Mewn achosion o'r fath, dylai'r grŵp nodi faint o bobl mae'n eu cynrychioli a sut gafodd y sylw ei awdurdodi. Dylid nodi cynrychiolydd y grŵp (neu'r prif ddeisebydd) yn glir.

If you seek more than one change to the Plan, it is not always necessary to complete separate forms for each part of your representation. It may, however, be helpful to use two separate forms if you wish to speak at a hearing about some objections but not others.

Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified.

Typed from original rep:

I cannot say that the plan is unsound. I would only ask that our field be included as a proposed building site for a few houses. As it is now the field is an eyesore. It is also open to others encroaching on it as most of the current owners (4 in all) do not live near enough to keep watch on it. The one owner who lived near it is very ill and she therefore cannot keep watch on it either. My late husband and I probably would have spent our last days there had we been able to build on it but he unfortunately passed away at the end of last year. We were both 'born and bred' in South Pembs.

The field has been in my late husbands family for generations and, to my knowledge 2 of those generations have made applications for planning which was twice refused, yet a few yards away planning consent was given for another house, September House – amazing! The services are already there as they are needed for the 2 nearby houses – REDACTED which has now been renovated and extended. There is already an entrance (now blocked off but not by any of us) to our field at the top which could be used. This entrance was used by an older generation who lived in the minor's cottage who, my late husbands mother allowed into the field to graze his cattle. But there is also access at the bottom of the field which is more or less opposite the road where Clayford Road comes onto the A478 from Haverfordwest to Tenby.

To have a few houses on our field would not unduly affect wildlife because there are many fields next to it where wildlife would move to if there were a few houses on the field we own. And people who live in the Country are usually sympathetic to wildlife.

There are already habitations built not much further from the field towards Tenby so a few houses on our field would not look at all out of place.

Although there is no legal right to a view it could be stipulated that bungalows only should be built there to keep the view for the two houses already there.

I would therefore respectfully ask that you would re-think the situation regarding our field.

Your Sincerely

REDACTED

I cannot say that the plan is unsound. I would only ask that our field be included as a proposed building site for a few houses. As it is now the field is an eyesore. It is also open to other encroaching on it as most of the current owners (4 in all) do not live near enough to keep watch on it. The one owner who lived near it is very ill and she therefore cannot keep watch on it either. My late husband and I probably would have spent our last days there had we been able to build on it but he unfortunately passed away at the end of last year. We were both born and bred in South Pembro.

The field has been in my late husband's family for generations and, to my knowledge 2 of those generations have made application for planning which was twice refused, yet a few yards away planning consent was given for another house, September House - amazing! The services are already there as they are needed for the 2 nearby houses - September House and what was an older house (previously a minor's cottage) which has now been renovated and extended. There is already an entrance (now blocked off but not by any of us) to our field at the top which could be used. This entrance was used by an older generation who lived in the minor's cottage whom my ^{late} husband's mother allowed into the field to graze his cattle.
