To all statutory consultees

Dear Sir / Madam,

**Regulated Alteration to Ysgol Gymunedol Croesgoch –
Alteration of the Medium of Instruction**

I write to inform you that Pembrokeshire County Council, at its meeting of 8th December 2016, considered the following published proposal:

To effect an alteration of the medium of instruction at Ysgol Gymunedol Croesgoch so that there is an increase of more than 20% in the teaching which is conducted through the medium of Welsh. This will take effect from September 2018.

The decision of Council was to approve the proposal as published. Prior to reaching its decision, the County Council took account of the comments received as part of statutory consultation and the proposer's responses thereon. No objections were received.

The proposal will address the key issues identified in the case for change, namely:

- To improve standards;
- To extend primary Welsh medium provision to meet stated demand in the St David's peninsula.

It also represents a significant step towards realising the Council's Welsh in Education Strategic Plan which seeks to increase Welsh medium education provision in Pembrokeshire.

Yours sincerely

Kate Evan-Hughes
Director for Children and Schools
