

## **Fee Policy**

The All Wales Housing panel has come up with a proposal whereby a flat fee of £250 is charged for the consideration and issuing of a licence with a band fee being payable which would relate to the number of occupied pitches on the site at the time of application - this would range from:

<b>No. Pitches</b>	<b>Variable Rate in addition to Flat Fee</b>
Less than 5	Only flat fee applies
5 to 20	+ £25 (£275)
21 to 30	+ £50 (£300)
31 to 40	+ £75 (£325)
41 to 50	+ £100 (£350)
51 to 60	+ £125 (£375)
61 to 70	+ £150 (£400)
71 to 80	+ £175 (£425)
81 to 90	+ £200 (£450)
91 to 100	+ £225 (£475)
101 to 110	+ £250 (£500)
111 to 120	+ £275 (£525)
121 to 130	+ £300 (£550)
131 to 140	+ £325 (£575)
141 to 150	+ £350 (£600)
151 to 160	+ £375 (£625)
161 to 170	+ £400 (£650)
171 to 180	+ £425 (£675)
181 to 190	+ £450 (£700)
191 to 200	+ £475 (£725)

This arrangement is based on a sliding scale of £25 for each additional 10 pitches.

These sums are considered to be adequate to cover the costs involved with administering and issuing the relevant site licences.
