

School's open day

Broad Haven CP School threw open its doors on Saturday for an historic Open Day. It was celebrating its recent £2.2 million extension and refurbishment under the 21st Century Schools programme - the first school in Pembrokeshire to benefit from the scheme. Pupils took the opportunity of showing County Council Vice Chairman, Tony Brinsden, some of their work. With them is Chairman of Governors, Elaine Hughes; Acting Head Gareth Lewis (centre) and local County Council Member and Governor, Peter Morgan.
