

# Statutory notice for Johnston CP School

A statutory notice proposing to add Special Educational Needs (SEN) provision at the new Johnston CP School has been published by Pembrokeshire County Council.

The proposed SEN provision is part of the Council's intention for a new primary school to be built at Langford Road, Johnston to replace the existing Johnston CP School.

The SEN provision will be reserved for pupils with complex learning needs and will provide a broad, balanced and relevant curriculum, whilst also having such pupils' exceptional needs met in as inclusive a way as possible.

The statutory notice has been published at [www.pembrokeshire.gov.uk/haveyoursay](http://www.pembrokeshire.gov.uk/haveyoursay) and can be viewed from today (Wed 3<sup>rd</sup> September) until Wed 1st October.

It follows consultation by the County Council on plans to build a new primary school in Johnston earlier this year.

The notice has been issued by the Director of Education and Children's Services under Section 42 of the School Standards and Organisation (Wales) Act 2013.

Any objections should be sent to Pembrokeshire County Council by Wednesday, 1<sup>st</sup> October.

Objections can be sent in writing to the Director for Children and Schools, Pembrokeshire County Council, County Hall, Haverfordwest, SA61 1TP, or by emailing [educationconsultations@pembrokeshire.gov.uk](mailto:educationconsultations@pembrokeshire.gov.uk)
