

## **Business Rates**

### **All business properties within Pembrokeshire**

This list includes all properties in Pembrokeshire that are subject to business rates. The data includes the property reference and property address, date the ratepayer became liable, rateable value and property description.

**(excel document)**

**\*This data is updated every January and July.**

### **Accounts With Credits Written-On**

This list includes accounts that have a credit balance that has been written-on. The data includes the credit amount written-on and the financial year it relates to. If you think you are entitled to an amount in this list you will need to complete a refund application form.

**(excel document)**

**\*This data is updated every January and July.**

### **Accounts In Credit**

This list includes accounts that have a credit balance. The data includes the credit amount and the financial year it relates to. If you think you are entitled to an amount in this list you will need to complete a refund application form.

**(excel document)**

**\*This data is updated every January and July.**

### **Properties Receiving Relief**

This list includes properties where the ratepayer is receiving a business rates relief, including mandatory and charitable relief, discretionary relief and small business rates relief. Please note a business may be in receipt of multiple reliefs and will therefore have multiple entries.

**(excel document)**

**\*This data is updated every January and July.**

## **Restrictions on the information**

- Personal information

In accordance with section 40(2) of the Act, where the 'liable party name' is that of an individual rather than a company, the information has been removed.

- Information already in the public domain and information intended for future publication

In accordance with section 21 and 22 of the Act, we will not provide individual responses to requests for this type of information, but we will signpost you to this webpage.
