

## Tier 2 Safeguarding Children

(Child Protection processes and responses)

**Designed for:** Staff who work directly with children and/or who have a managerial or supervisory responsibility for staff working with children ; Head teachers and designated teachers with responsibility for Child Protection

**Please note: it is a requirement that you will have already undertaken Tier 1 Safeguarding training (excluding Health Professionals)**

**Course aim:** This is a one day training course offered to all multi agency practitioners who carry safeguarding responsibilities for children. The course builds upon the information and insights presented within Tier 1 training and will seek to inform and prepare participants to undertake an active involvement in child protection processes and responses

**Learning Objectives:** The Course seeks to provide participants with :

- a comprehensive overview of child protection processes and expectations here in Pembrokeshire
- an opportunity to think about everyone's child protection responsibilities under the All Wales Child Protection Procedures and current legislation
- awareness of how child protection works in practice from first concerns, through referral and assessment to child protection registration and plan implementation

**Cost for external applicants:** Free

**Course Leader:** Lynn Wheatley, Independent Trainer
