

Sexually Harmful Behaviour

Designed for:

Multi agency training designed for practitioners working with children and young people

Course Overview:

The training will improve participants' ability to identify problematic or harmful behaviour and respond to concerns using the All Wales Protocol on the Management of Young

People engaged in Sexually Harmful Behaviour. This course will not provide resources for direct work but will improve confidence.

Learning objectives:

- Develop an understanding of what is meant by the term sexually harmful behaviour ("SHB")
- To distinguish developmentally healthy behaviours from those that are problematic or harmful
- Explore attitudes and beliefs around sexually harmful behaviour
- Identify how practitioners respond to sexually harmful behaviour through use of the 'All Wales protocol'
