

# Ewch ag atgofion da adref - nid **COVID-19**

Rydym yn gwybod ei bod yn anodd peidio â gweld ffrindiau a bod yn gaeth i'r ty am fisoeedd.

Rydym eisiau ichi fwynhau'ch hun gymaint â phosib – ond gwnewch hynny'n ddiogel.  
Nid yw COVID-19 wedi diflannu.

I ddiogelu'ch hun ac eraill cofiwch:

- **Gadw'ch pellter** -
- **Cwrdd tu allan yn unig** -
- **Osgoi grwpiau mawr** -

A pheidiwch â rhoi pwysau ychwanegol ar weithwyr allweddol drwy adael sbwriel iddyn nhw ei gasglu – mae Cymru'n hardd. Rhaid inni ofalu amdani.

**Cofiwch fwynhau'ch hun yn ddiogel a gofalu am eich gilydd.**

# Take home happy memories – not **COVID-19**

We know it's been tough not seeing friends and being stuck at home for months.

We want you to enjoy yourself as much as possible - but please do so safely. COVID-19 hasn't gone away.

To protect yourself and others:

- **Keep your distance** -
- **Only meet outdoors** -
- **Avoid large groups** -

And please don't put extra pressure on key workers by leaving your litter for them to pick up – Wales is beautiful.

Let's keep it that way.

**Enjoy, be safe, and look out for each other.**

**DIOGELU CYMRU**  
KEEP WALES SAFE
