PUBLIC MEETS DESIGN TEAM FOR NEW SCHOOL

Parents, pupils and other members of the school community were invited to meet the team designing the new £48.7 million Haverfordwest High VC School on Friday (1st November).

A series of information events were held at the Prendergast site giving everybody the opportunity to ask questions to the successful contractor Morgan Sindall Construction, and members of Pembrokeshire County Council's project team.

The public also had the opportunity to feedback on ideas to be considered for inclusion within the new school design.

Area Director for Morgan Sindall Construction, Rob Williams, said "We are delighted to have won the contract for Haverfordwest High VC School and are excited to work with Pembrokeshire County Council.

"We are looking forward to the journey of designing the best school for the children."

If approved by Welsh Government, work would start on site in 2020 with the new school being ready in 2022.

The project is being jointly funded by Pembrokeshire County Council and Welsh Government as part of its 21st Century Schools and Colleges Programme.

Y CYHOEDD YN CYFARFOD Â THÎM CYNLLUNIO YSGOL NEWYDD

Gwahoddwyd rhieni, disgyblion ac aelodau eraill o gymuned yr ysgol i gyfarfod â'r tîm sydd yn cynllunio ysgol newydd gwerth £48.7 miliwn, Ysgol Uwchradd WR Hwlffordd, ddydd Gwener (1 Tachwedd).

Cynhaliwyd cyfres o ddigwyddiadau gwybodaeth ar safle Prendergast a oedd yn rhoi cyfle i ofyn cwestiynau i'r contractiwr llwyddiannus Morgan Sindall Construction, ac i aelodau o dîm prosiect Cyngor Sir Penfro.

Cafodd y cyhoedd hefyd gyfle i roi adborth ar syniadau i'w hystyried a'u cynnwys o fewn cynllun yr ysgol newydd.

Dywedodd Cyfarwyddwr Ardal Morgan Sindall Construction, Rob Williams, "Rydym yn hynod falch ein bod wedi ennill y cytundeb ar gyfer adeiladu Ysgol Uwchradd WR Hwlffordd, ac yn edrych ymlaen at weithio gyda Cyngor Sir Penfro.

"Mi fydd yn siwrnai gyffrous wrth i ni gynllunio'r ysgol orau posib ar gyfer y plant."

Os yw Llywodraeth Cymru yn cytuno, bydd y gwaith yn dechrau ar y safle yn 2020 gyda'r ysgol newydd yn agor ei drysau yn 2022.

Ariennir y cynllun ar y cyd rhwng Cyngor Sir Penfro a Llywodraeth Cymru fel rhan o'u rhaglen Ysgolion a Cholegau yr 21ain Ganrif.
